

SHANGHAITECH SUMMER SCHOOL 2017

We are pleased to welcome you to the ShanghaiTech Summer School, 2017 edition. The Course will be organised in three separate locations: Venice for the first portion, Asiago for the second and Padova for the final third.

In Venice students will learn about Art, spanning from music to visual art, architecture and literature. In Asiago, the lectures will offer an across-the-board view of scientific topics, underlying those that have significance in the University of Padova. Finally, the portion of the Course in Padova will schedule mostly lectures of interdisciplinary character, and will include a guided visit to the historical central building of the University. At the end of the course, students will receive a Certificate of Attendance.
